Dear Sue

This letter is to say a huge thank you for the wonderful support that you have given Churches for Horley Foodbank in the last few weeks.

I understand from Liz that the young people were fantastic when they came to visit us. Firstly, thank you for all the donations that they brought which will be so gratefully received by the clients that come through our doors. But more than that, thank you for bringing such a wonderful group of children to us so that we could show them how foodbank works and tell them a little about what we do and the people we help. I hope that the young people went away with a greater understanding of the needs of others and the realisation of how blessed they are. I also hope that they enjoyed sorting and dating the food that they brought. Their help was really appreciated.

Thank you also for the very generous £400 donation. The local churches are so supportive and provide so much food and toiletries but there are often times when we run short of goods and need to go and purchase items to tide us over. The money you raised will be used to buy these items.

We really are overwhelmed by the generosity of all those who have offered support. Please do pass on our thanks to all those who have contributed.

Kind Regards

Diane Collins
